

High-Impact Tutoring for Students

Who We Are

K12 Tutoring is an ESSA Level II tutoring company dedicated to student success. Our state-certified tutors provide personalized, evidence-based instruction across various subjects, supporting teachers in helping students reach their full academic potential.

What to expect

- ✓ Students are tutored individually or in groups of 2-5, developing teamwork, collaboration, and problem-solving skills
- ✓ Aligned with both state and local curriculum standards to ensure compliance and relevance in educational practices
- ✓ Close achievement gaps and increase proficiency rates
- ✓ Students are matched with a consistent tutor to foster relationships and support SEL development
- ✓ Individualized for each student using national and local assessment data to address learning gaps
- ✓ Aligned with evidence-based practices for high-impact tutoring from the Annenberg Institute and the 2024 NWEA research brief
- ✓ State-certified teachers trained in online teaching and tutoring strategies
- ✓ Teachers have specialized training such as special education and ELL to support all learners
